Title: The Holiday

Having a 3 week holiday cancelled by his boss when all arrangements had been booked led Frank to having 2 weekends with his wife Margaret, son Roy & Mother by the river. One week fishing daily, feeding the family was fulfilling his dream of a magical holiday.

Title: World History

We were taken back in history 600 years ago to the life and times of the great inventor who transformed our society **Johannes Gutenberg** who invented the printing press. People began to read and with information in print getting to the people this was later followed by the industrial revolution.

Title: Super Heroes

With the thoughts of Super Heroes we may think of Superman & many others from TV & films. However it was the modern day super heroes naming only 3 men. Donald Ritchie who has saved 160 lives of people who were thinking of jumping over the Gap in Sydney. Jonathon Welsh the singer/conductor who formed the Choir of Hard Knocks giving so many back their voice & courage to live. Lastly by no means the least Brian Barry the Fire Fighter who has saved so many homes all over the state when the fire season has caused such havoc on our beautiful country.
