Speaker No1 Hugh Barber Evaluated by Jan Vecchio

Title: 'Fearfully, Wonderfully Made.'

This presentation was our Human Body which is fearfully, wonderfully made. Giving us details about our brain and why we dream, also about our eyes, hands and with all systems go, our body is self restoring. It is Fearfully, Wonderfully Made.

Speaker No 2. Keren Snell Evaluated by Denise Tomlinson

Title: 'Fascinators.'

This presentation was really fascinating as we were told of the prices for ladies buying fascinators vs buying the materials and making them ourselves. Keren demonstrated how easy fascinators are to make.

Speaker No 3. Greg Holterman, Evaluated by Stephen Trindall

Title: 'President's Distinguished Club 2009 /2010.'

This was a speech of pride. How proud our former President of NBTC felt with the club receiving this award having gained 9 out of 10 points needed to gain this award. Finally Greg presented a lovely blue ribbon to our President David to be added to the other ribbons on our Club Banner

Area 22 Governor, John Inglis

This was an official presentation with 2 award to David Tomlinson for winning two contests at the Area Contest Humorous Speech and Table Topics Contest.

Appealing to all members present to consider moving the club into a new direction and out of our comfort area.
